

**FOR IMMEDIATE RELEASE**

## **HUB Technical Services, LLC. Earns CompTIA Security Trustmark+™**

*Validation that HUB Technical Services, LLC. uses industry accepted security best practices*

[South Easton, MA, February 24, 2021---] HUB Technical Services, LLC., A full service IT Managed Services provider, announced today it has received the [CompTIA Security Trustmark+](#) from [CompTIA](#), the non-profit association for world's information technology (IT) industry.

The CompTIA Security Trustmark+ validates that HUB Technical Services, LLC. uses the security processes identified by the IT industry as generally accepted best practices and has been evaluated by an independent third-party assessor as meeting the criteria established by the CompTIA Security Trustmark+. Based on the National Institute of Standards and Technology (NIST) Cybersecurity Framework, the CompTIA Security Trustmark+ is a comprehensive review of the security posture of any IT business, applicable across multiple industries and compliance regulations.

"The CompTIA Security Trustmark+ signifies that HUB Technical Services, LLC. adheres to our industry's highest standards for security practices and business processes in critical components of identification, protection, detection, response, and recovery as related to data security," said Nancy Hammervik, senior vice president, industry relations, CompTIA. "Earning the Security Trustmark+ demonstrates a true commitment to address the challenges of security compliance facing our industry today."

"In these everchanging times you need to be able to Trust your Managed Service Provider. HUB Tech will always put you first and ensure you have the Technology solutions you need to sustain and grow your operation, backed by the best and most trusted Client Services team available," said Joe Lovetere, President, HUB Tech.

HUB Tech utilizes decades of proven IT infrastructure expertise, methodologies, and established best practices to help organizations continuously improve their cyber security posture. We provide full-service IT solutions and consulting for all industries, (State and Local Government, Financial, SMB, Enterprise, Healthcare, K-12 and Higher-Ed with the knowledge of business needs and compliance requirements. The goal is to achieve or exceed acceptable risk tolerance levels and compliance requirements. We help deliver them in a prioritized, cost-effective, and actionable manner. HUB Tech empowers organizations with analysis and reporting that bring vulnerabilities into focus so that you can execute a plan of action commensurate with meeting business goals. Our portfolio of offerings helps organizations achieve intended business results by leveraging proven technologies securely across their enterprise.

To earn the CompTIA Security Trustmark+ HUB Technical Services, LLC. successfully passed an independent assessment of their security policies, capabilities, practices, and processes against industry best practices in areas such as:

- Security technologies, including firewalls, anti-Virus/ malware/ spyware, and intrusion detection
- Vulnerability assessment detection
- Data encryption
- Technical employee knowledge/expertise
- Security clearances and background checks
- Physical and hardware security
- Permissions, passwords, and other security requirements
